VLCHEK TOOL CO.

CLEVELAND, OHIO

USER NET PRICE LIST

Effective May 15, 1963

PRICE LIST U-4

NOTICE: Prices, materials, finish, or specifications shown in this price list subject to change without notice. Orders accepted subject to price prevailing at time of shipment.

GUARANTEE: Every Vlchek tool is guaranteed against any defect in material or workmanship. Any Vlchek tool returned to our factory, shipping charges prepaid, will be replaced without charge if found defective. Standard sockets used on power equipment or tools indicating extreme abuse through disfiguration will not be considered replaceable under this guarantee.

RATCHET MAINTENANCE & REPAIR

Vlchek's ratchets are one of the strongest ratchets manufactured, and like any good tool, care is required to lengthen life. Periodically disassemble and remove accumulated grease and dirt.

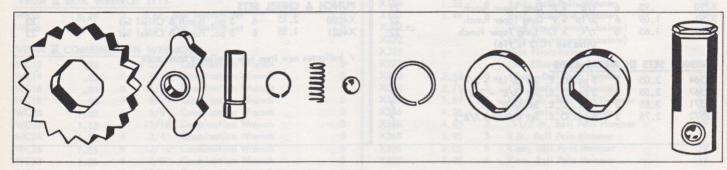

Follow these simple steps for disassembly:

1. Remove lower retaining snap ring with pen knife and lift complete assembly out of head. Use care and hold "pawl" in place while flushing in solvent until clean.

2. Re-assemble in same manner being careful to hold pawl in place until "nested" in ratchet
